PERLA is the daughter of the mare PEŁTA Janów Podlaski's leading producer of extremely valuable breeding horses, including several (!) chief sires. Perla is actually a maternal sister to mega show star POGROM: Junior Spring Show Gold Champion Stallion 8< Bast in Show. Polish National Junior Gold Champion Stallion, L15 Triple Crown winner (Scottsdale Arabian Show Senior Champion Stallion & Supreme Show Champion. Arabian Breeders World Cup Senior Gold Champion Stallion. US National Senior Champion Stallion) and ultimately Polish National Senior Champion Stallion, as well as the most coveted chief sire in Poland today

Pełta's other produce are significant even outside the Arabian horse community. Her other three sons: PENTAGRAM, POLIGON & PEDAGOG. have all been superb racing athletes and are readily utilized in sports-oriented breeding.

Interestingly. Pełta is a granddaughter of PESTKA. a descendant of Janów's P-line of PIEWICA, who established her own subline famed for producing chief sires. In recent years as many as nine from this branch were active in Polish breeding, both in the show sector (POGANIN, PORTO. PERSEUSZ. PEGASUS, PRADO, POGROM), as well as the performance division (PENTAGRAM, POLIGON & PEDAGOG).
